FemmeScience is a Hit with Cast of ABC's "Dancing With The Stars"

"Dancing With The Stars" LOS ANGELES, CA – October 13, 2010 – How does the cast of ABC's "Dancing With The Stars" always look flawless from head to toe? Sure, they have an expert team of make-up artists who whip them into shape for each episode, but a flawless face and gorgeous bod start with perfect skin. And that's where **FemmeScience** skin care products cut in to take the lead.

Last week, the show's female cast members, celebrities, judges and executives were all aglow after receiving **FemmeScience's Hydrating Face Cleanser, Face Mask, Age Control** and **Body Cream** at a private event in Los Angeles. Celebrity dancers **Audrina Patridge, Bristol Palin, Florence Henderson** and **Margaret Cho** were in attendance, as were professional ballroom dancers **Karina Smirnoff, Anna Trebunskaya, Kym Johnson, Anna Demidova, Chelsie Hightower** and **Lacey Schwimmer**; and judge **Carrie Ann Inaba** looked like she would have given the suite a high score.

About FemmeScience: FemmeScience skin care is created with dermatological-grade ingredients that enhance the vitality and radiance of youthful skin. The skin-preservation products help young women maintain the beauty of their skin while addressing concerns specific to them, including sensitivity, dryness, dullness, starter wrinkles, loss of elasticity and uneven skin tone.
